LSPA Invasive Watch Shoreline Report

Please List all Individuals Who Contributed to this Report: Name:	July August ! (Please circle report n		earS	urvey Area(s) #	
Name:	`	,			
Name:	Please List all Ind	lividuals Who Co	ntributed to this	Report:	
Name:	Name:				
Name:	Name:				
Shoreline Area Covered: (Please note area surveyed by parcel numbers as indicated on the map.) Example: Surveyed shoreline area between parcel number 3 and 8. Aquatic Species Found: (Check shaded box next to plant(s) found.) Algae Cattail Native snail Starwort Watershield Aquatic grasses Elodea Pickerel weed Stonewort Waterwort Arrowhead Floating heart Pipewort Water celery White water lily Bladderwort Milfoil (native) Pondweed Water lobelia Yellow water lily Bur-reed Native mussel Quillwort Water naiad Other: Observations: (Describe any other observations such as water clarity, trash/fireworks debris, new sediment deposits, and mussel,
